

Tender Notice

ERRATUM – T 69/2015: ADVERTISING, PUBLIC RELATIONS AND MARKETING AGENCY

Notice is hereby given that the above mentioned tender, which has already been advertised, will be subjected to functionality evaluation. There are two stages of functionality evaluation. In stage one of the functionality evaluation, the minimum qualifying score for functionality is 60 out of 100 points. Bids that fail to achieve the minimum 60 points for functionality will be deemed non-responsive.

Bids that passed the first stage of evaluation will be invited to do a presentation (Stage 2 evaluation). The minimum qualifying score for stage 2 evaluations (presentation) is 75 points. Bids that fail to achieve the minimum qualifying points for stage 2 evaluations will be deemed non-responsive. Only bids that achieved the minimum qualifying points for stage 2 will be evaluated on price & preference points. The functionality criteria and weighting is set out in the tender document.
