C51/2015/16: Removal and disposal of Asbestos Roof sheets at Belvidere Waste Water Treatment Works

SPECIFICATIONS

Knysna Municipality requires the services of a registered asbestos contractor to remove and dispose of asbestos roof sheets at the Belvidere Waste Water Treatment Works. The Occupational Health and Safety Act, 1993 (Asbestos Regulations 2001; regulation 21) defines a registered asbestos contractor as a mandatory or employer conducting demolition work, who is registered with the chief inspector.

Regulation 20(1)(c) of the Asbestos Regulations 2001 states an employer or a self-employed person shall as far as is reasonably practicable ensure that all asbestos waste which can cause exposure, is disposed of only on sites specifically designated for this purpose in terms of the Environment Conservation Act, 1989 (Act No. 73 of 1989), and the National Environmental Management Act, 1998 (Act No. 107 of 1998), and in such a manner that it does not cause a hazard inside or outside the site concerned

Only registered asbestos contractors will be deemed to be responsive, therefore proof of registration with Department of Labour as a registered asbestos contractor must be submitted. Only those who submit this proof will be evaluated.

Proof of disposal of the asbestos at a site as stipulated by Regulation 20(1)(c) must be submitted to Knysna Municipality before any payment will be made for services rendered.

Conditions of RFQ (non-negotiable)

Proof of registration with Department of Labour as a registered asbestos contractor	Yes / No
