10. CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Municipal Bidding Document (MBD) must form part of all bids² invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).³ Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

³ Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

PART C – DATABASE REGISTRATION

To be a potential supplier to the Municipality this **Supplier Registration Information (SRI)** must be completed and updated annually to enable the generation of orders which will expedite the payment of supplier invoices. An important feature of SRI is the **Procurement Business Number (PBN)** created using your SARS Business Number to uniquely identify your business. This number must always be reflected on quotes/invoices submitted. Private Companies and Close Corporations are required by legislation to reflect their registration numbers as well as the names of Directors and members on all correspondence including quotes and invoices.

This registration will be used by the procurement section to identify and / or inform suppliers of opportunities when they occur. All opportunities above R30 000 are regularly published on our website. Warehouse items required from time to time can be viewed at www.knysna.gov.za

It is not necessary to have a tax clearance to register. It must be noted that legislation prescribes that all transactions exceeding R30 000 annually requires a tax clearance certificate of good standing from SARS. Orders will only be generated in favour of businesses that are compliant on this and the submission of a clearance certificate is therefore strongly advised.
