10. CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Municipal Bidding Document (MBD) must form part of all bids\(^2\) invited.

2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).\(^3\) Collusive bidding is a \textit{per se} prohibition meaning that it cannot be justified under any grounds.

3. Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

Bid rigging is, therefore, an agreement between competitors not to compete.

10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No. 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No. 12 of 2004 or any other applicable legislation.

PART C – DATABASE REGISTRATION

To be a potential supplier to the Municipality this Supplier Registration Information (SRI) must be completed and updated annually to enable the generation of orders which will expedite the payment of supplier invoices. An important feature of SRI is the Procurement Business Number (PBN) created using your SARS Business Number to uniquely identify your business. This number must always be reflected on quotes/invoices submitted. Private Companies and Close Corporations are required by legislation to reflect their registration numbers as well as the names of Directors and members on all correspondence including quotes and invoices.

This registration will be used by the procurement section to identify and / or inform suppliers of opportunities when they occur. All opportunities above R30 000 are regularly published on our website. Warehouse items required from time to time can be viewed at www.knysna.gov.za

It is not necessary to have a tax clearance to register. It must be noted that legislation prescribes that all transactions exceeding R30 000 annually requires a tax clearance certificate of good standing from SARS. Orders will only be generated in favour of businesses that are compliant on this and the submission of a clearance certificate is therefore strongly advised.
