Mayors Christmas message

It is hard to believe that it is already time to say Merry Christmas, Happy Holidays and a Happy New Year.

What a busy year we have had here in Greater Knysna. This past year has been a year of many changes and many achievements. Our community has drawn together and stood as one whenever called upon to do so.

So, as we celebrate this holiday season, I hope we will continue to spend time with family and friends. Let us use this time to reflect and count our blessings. The greatest gift we could exchange this season is to serve one another.

May I ask you all to remember your neighbours at this time of year, especially the elderly and those who live alone. I would also like to extend a special welcome to our visitors and those who have come home to Greater Knysna to be with their families and hope that you have a wonderful time.

My very best wishes go to those who are sick at home or in hospital this Christmas and I wish you a speedy recovery. To all who are spending Christmas away from their native home this year, travel safely and know that I am extending Christmas greetings to you and yours from Greater Knysna.

From my family and our family of Knysna Council and your dedicated municipal staff, we wish your family all the love and blessings of the season. We look forward with anticipation to another great year in 2017.
