SC04/12/13  **MOTION OF CONDOLENCE**

The Deputy Executive Mayor addressed Council:

“Madam Speaker, Members of Council, officials, and members of the media and the public,

It is with deep sadness that we hold this Special Council Meeting to mark South Africa’s loss of its greatest leader, Nelson Rolihlahla Mandela.

Every South African’s life had in some way been touched by the life, words and deeds of Madiba. As political leader and this country’s first democratically elected President, he used his exceptional influence to ensure a peaceful political transition in a time when South Africa risked civil war. Once democracy was ensured, he became the voice behind Africa’s new struggle, HIV Aids, and established the Nelson Mandela Children’s Fund. These are of course only a few of the things that Madiba have done for our country and the world, and over the next few days and weeks we are going to be reading and hearing a lot about all the good things that he has done, said and accomplished.

And, while we are sad for the gap he leaves behind, we are also grateful that he can now be at peace. After 95 extraordinary years in which he had to be so many things to so many people around the world, Tata can finally rest.

The Knysna Municipality offers our deepest condolences and sympathy to the family and loved ones of Madiba. Our prayers are with you in this sad and demanding time, and wish that you will nonetheless feel blessed and loved by those around you.
Closer to home, some of our locals have met Nelson Mandela right here in our community. In January 2008 he spent some time in Knysna at one of the Noetzie Castles, where he had taken a well-deserved break following extensive overseas travel. There are lovely stories of people walking on the beach at Noetzie, not believing their eyes when the world’s most famous leader started waving to them from the Castle balcony. While he was obviously tired at the time, he was more than willing to have his picture taken with staff members of the hotel – from the owner right down to the cleaners.

In 2005 the Garden Route also hosted a 46664 concert at Fancourt in George. This was an international HIV/AIDS fundraiser and awareness campaign that brought famous musicians such as Will Smith, Annie Lenox, Katie Melua and Queen to this region. While he made only a brief appearance during the concert, Madiba hosted the celebrities and continued to be the best public relations officer this country will ever have. He made sure the celebrities knew why they were here – to give of their time and money towards the country’s children and the fight against HIV/AIDS – and left a lasting impression on all of them that will ensure that they remember the Garden Route with fondness.

To the people of the Greater Knysna area I ask that you use this time of mourning to show respect and appreciation for Madiba’s legacy of peace and reconciliation. We know that the collective sadness of this time has the potential of becoming hysterical, but we appeal to all South Africans to let this time be filled with all the hope and positive energy for which Madiba was known, as we believe that that is what he would have wanted.

On a more practical note, the Knysna Municipality will open nine of its venues as places of tribute, where citizens can pay their last respects and write in provided books of tribute. Representatives of local churches, family support services and non-profit organisations as well as trained councillors will be available to provide grief counseling. Live broadcasts of the Madiba-related coverage will be screened on big screens at all places of tribute.

The venues, and the times that they will be open, will be advertised and are expected to remain open for about ten days.

The Knysna Municipality is working closely with all relevant local and regional safety and security services to ensure a safe and peaceful mourning period.

We will keep residents informed with municipal-related arrangements via loud hailing, the website www.knysna.gov.za and twitter @KnysnaMuni.

While his physical presence will no longer be with us, Nelson Mandela’s legacy will remain irrevocably part of South Africa and its people.

In his memory, we will strive to become the best we can be – as people and as a municipality.
In his memory we appeal to our people, our neighbours, our country and the world to remember Tata respectfully and with a greater purpose in mind: to improve the lives of others wherever they may go.

Thank you.

The Deputy Executive Mayor, Cllr E Edge proposed, seconded by Cllr S De Vries, that the Motion of Condolence be adopted.

The motion was carried unanimously.

RESOLVED

That the motion of condolence received from the Deputy Executive Mayor, as set out hereunder, be adopted:

MOTION OF CONDOLENCE

It is with great sadness that we salute and say goodbye to someone who has worked so endlessly for the advancement of our country.

The first President of democratic South Africa was an extraordinary man who in his long life experienced times of hardship and sadness yet led us to soar in many moments of triumph. After his presidency he continued to work ceaselessly to unite the country domestically and to promote it abroad. The world has lost one of its pillars and will be sorely missed by the people of the new South Africa.

Hamba kahle Tata Madiba.

Dit is met diep hartseer dat ons hulde betoon en totsiens sê aan iemand wie so onophoudelik vir die verbetering van ons land gewerk het.

Die eerste President van demokratiese Suid-Afrika was 'n besonderse man wie in sy lang lewe tye van ontbering en hartseer beleef het maar ons tot vele oomblikke van oorwinning geleë het. Ná sy presidentskap het hy onverpoosd voortgegaan om hom vir die vereniging van die land plaaslik en die bevordering daarvan oorsee te beywer. Die wêreld het een van sy steunpilare verloor en sal ten seerste deur die mense van die nuwe Suid-Afrika gemis word.

Totsiens Tata Madiba.

Sivakalisa usizi novelwano ngokushiywa liqhawe lesizwe elisebenze ngokuzingca ukuphuhlisa uluntu nelizwe lethu.

UMongameli wokuqala womZantsi Africa okhuluulekileyo ube eyindoda eligorha kakhulu. Ebomini bakhe obude, uphumele kumabakala obunzima nosizi, kodwa nguye owenze ukuba sintinge sibhabhele phezulu kumabakala empumelelo noloyiso. Emveni kokuba ethathe umhlala phantsi, usebenze
kakhulu ekumanyeni ilizwe lethu kwaye waphuhlisa ukuhlonipheka kwalo kumazwe angaphandle. Ihlabathi liphela liphulukene nenye yeentsika zalo. Uyakusoloko ekhunjulwa ngabembi bonke bomzantsi afrika.
