Happy Kids Day-Care receive children's equipment

Community Services, Ward 8 Councillor Thando Matika and Councillor Aubrey Tsengwa brought smiles to the kids and teachers at Happy Kids Day-Care by handing over much children's equipment including colouring in books, crayons, plastic chairs and tables earlier today.

Councillor Matika said that he had chosen Happy Kids Day-Care as it was a new crèche which opened only in January this year and felt that they needed the equipment the most.

The crèche has registered approximately 30 children and there are two teachers, Nolindo Mtatambi and Linda Mbela.

Mtatambi expressed her gratitude. "We are thankful to the municipality but most importantly our Ward Councillor. Thank you for choosing our crèche as beneficiary."
