Dear Mr Vonya

RE: Application for Consolidation of Erven 12481 and 12482

We refer to your letter of 1 August 2022 requesting endorsement from Pezula Golf Estate HOA regarding the application for consolidation for the above two properties.

Pezula Golf Estate HOA has no objection to the consolidation and is hereby giving consent to the consolidation of erven 12481 and 12482.

However the owner needs to take notice that he/she will still be liable for HOA levies for both properties.

Yours Faithfully

JJ Albrecht
